

# **WAG TOW POLICY**

*Adopted by the WAG Board on March 16, 2007*

The purpose of this policy is to protect Willamette Agility Group (WAG), the driver, and the public when WAG property is being transported to and from WAG trials, practices and events.

The driver of a vehicle towing WAG equipment:

- Shall have a valid driver's license and appropriate liability insurance on the vehicle
- Shall have an appropriately equipped vehicle for the appropriate trailer weight
- Shall obey all traffic rules and laws
- In the event of any accident, injury or damage occurring during transport, loading, unloading, etc. shall inform an officer of the club as quickly as possible
- Shall have on file with the WAG a volunteer driver form. (attachment)
- Shall be reimbursed according to the current WAG reimbursement policy

WAG will be responsible for making sure trailer(s) are in good working order.

It is the responsibility of the driver to update the information as necessary or each calendar year in January.

The volunteer form will be kept on file by the WAG secretary.
