Measurement:

Dogs under 18", entered in Proficient, and without a permanent height cards must be measured before they run. Dogs entered in Skilled do not have to be measured. Permanent height card measurements will be available during the weekend. The Trial Secretary will contact you if measurement is necessary for your dog(s).

"Containerized" trial:

This is a "containerized" trial. Food or a small noiseless toy may be carried into the ring in your pocket provided it is contained in a Ziploc bag or small container such as a pill bottle. The container may not be visible in the ring or within 10 feet of the ring. You may not indicate to your dog that you have this item on you (e.g., by patting your pocket). The container may not be removed from your pocket until you are at least 10 feet outside the ring. All food and toys must be contained at the trial and none may be left lying about loose. This policy has been implemented to reduce the possibility of dogs fighting over loose food or toys and to diminish the incidence of dogs dragging their handlers back to their crates.

V-NATCH:

If you think your dog might complete a Versatility NATCH at this trial, please inform the Trial Secretary so we can celebrate with you!

ELEVENTH ANNUAL WILLAMETTE CUP ENTRY RULES

WILLAMETTE CUP prizes will be awarded to the handler/dog team achieving the most qualifying runs in each of nine groups: novice small, novice medium, novice large, open small, open medium, open large, elite small, elite medium, and elite large (small = dogs that would jump 4", 8", or 12"; medium = dogs that would jump 16"; large = dogs that would jump 20"; height groupings may change depending on entry). **Intro level courses are not included in the Cup competition.**

Qualifying runs in the first 11 classes - Tunnelers (3 runs), Weavers (4 runs), and Touch-N-Go (4 runs) - will be eligible. The final Tunnelers course will be used as a run-off for the Cup if needed and will be run as a normal qualifying run for all entrants. The winner of the tie-breaking run-off will be the handler/dog team with the fewest faults, or if a tie still occurs, then that team with the fastest time. You must enter all 12 runs to be eligible for Cup awards.

Cup groups will not be separated by Skilled or Proficient Category nor by Standard, Veteran, or Junior Handler Division; however, qualifying runs will be counted using the criteria for whichever Category and Division a handler/dog team is entered in. If a dog is signed up for different Levels in the different Classes (for example: Novice in Weavers, Elite in Tunnelers, and Open in Touch-N-Go), the dog will be considered for the Cup awards at the highest Level entered (in this example, Elite) and to achieve "qualifying runs" for Cup purposes will have to run at or below standard course time for the higher (e.g., Elite) Level for all Classes. These modified criteria apply only toward consideration for Cup awards, NOT official NADAC results.
