Measurement: Dogs **under 18"**, entered in proficient, and without a permanent height cards must be measured before they run. I will contact you and arrange for measurement if your dog falls into this category. Dogs entered in skilled DO NOT have to be measured. Permanent height card measurements will be available during the weekend.

First dog on the line will be at 6:30 PM on Friday and 8 AM on Saturday and Sunday.

Entry Rules: We will accept entries postmarked on May 26, 2009, or later, until either the maximum number of runs per day is reached or the closing date of June 12, 2009, whichever comes first. Spaces in this trial will be allotted in postmark order, not in the order of receipt by the Trial Secretary. If more entries with the opening date postmark are received than the total number of slots available, priority entry will be given to a limited number of exhibitors who volunteer to help at the trial. The remaining slots will be drawn from randomly selected entries. If the trial fills on a subsequent date, the drawing will be made from all entries. Any entry that is not accompanied by payment in full will be considered invalid. We have the right to refuse any entry. Anyone who is not currently in good standing with NADAC will not be allowed entry into the trial.

AWARDS: Purple rosettes will be awarded for all qualifying runs. Ribbons will be awarded for 1st through 6th place in each jump height in Novice classes. Ribbons will be awarded for 1st through 4th place for each jump height and class for all other levels. Chances is pass/no pass and thus no placement ribbons will be awarded.

THE MANAGEMENT will not be responsible for the loss or damage to any dog exhibited, or for the possessions of any exhibitor, whether the result was by accident or any other cause. It is distinctly understood that every dog at this event is in the care and custody and control of his owner or handler during the entire time the dog is on the show premises. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the show site. In such case, no refund of fees paid will be made.

NEW NEW: Dogs entered in skilled must jump 4" lower than their standard height.

NOTICE TO EXHIBITORS

This trial is sanctioned by the North American Dog Agility Council (NADAC). **Exhibitors, through submission of their entry, acknowledge that they are knowledgeable of NADAC rules and regulations and relevant WAG policies, including but not limited to the following rules regarding entry, and agree to abide by all rules in effect at the time of this trial.**

Dogs must be registered and have a valid registration number before entries will be accepted. NADAC registration forms can be obtained at the NADAC website, or dogs can be registered online to immediately receive a permanent registration number. Go to www.nadac.com (click on "Dogs" on the home page) or contact the Trial Secretary.

Current Jump Height Table, Breed Exemption List, description of classes, levels and divisions are included in the current NADAC Exhibitor's Handbook. A copy of the current Exhibitor's Handbook may be downloaded for free from the NADAC website (www.nadac.com). Or Exhibitors may request a hard copy of the current Exhibitor's Handbook from: North American Dog Agility Council, PO Box 1206, Colbert, OK 74733-1206.

Exhibitors may contact NADAC at info@nadac.com with general questions or for information.

- All dogs must be on leash when not competing in the ring.
- No leads, collars, food, toys, or other aids or devices will be permitted on the course at any time.
- Checks not honored by the bank do not constitute a valid entry fee.
- There will be a \$20.00 service charge for bank returned checks.
- There will be no refunds in the event that a dog and/or handler are dismissed from competition, regardless of the reason for dismissal. Checks will be held until closing date.
- 100% of entry fees will be refunded if requested before the closing date. After the closing date, injured or ill handlers or injured, ill or in-heat dogs will receive a refund, less a \$20.00 handling fee. Verification from a doctor or vet may be requested.
- Running order will be determined at the club's discretion. An attempt will be made to separate runs for handlers with more than one dog in a class.
- There will be no refunds for withdrawals requested on or after the first competition date listed in this premium, regardless of the reason.

Non-Jumping Classes—Veteran or Disabled Handler. Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. This option is for Veteran/Disabled handlers in the non-jumping classes only. The Veteran/Disabled Handler division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course. When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division and must jump 4" lower than your Proficient, Standard Division jump height requires. In the non-jumping classes, dogs will be scored and placed with their Standard Division jump height

EQUIPMENT. Rubber matted contact equipment will be used in both rings. The safety/displaceable tire will also be used.

IMPORTANT. Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the files section of the NADACagility@yahoo.com list within two weeks after the NADAC office receives them from the club. The trial results will remain on the list for at least thirty (30) days. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the www.NADACagility@yahoo.com list and set your settings to "no mail". You will be able to view trial results and check for any possible discrepancies, without receiving list mail. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

Levels. Points earned at a higher level of a class, prior to the completion of the lower level title, will not be banked by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.

SKILLED AND PROFICIENT CATEGORIES

Dogs must be entered in either the **Skilled** or the **Proficient** category. A dog may not be entered in Skilled one day and Proficient on another day. Dogs may enter the Skilled or Proficient category in the Standard, Veteran, or Junior Handler Division.

If you enter the Skilled category, you **MUST** enter your dog one jump height (4") lower than your dog's standard jump height. (Four inches will remain the minimum jump height.) Dogs are allotted the standard course time for, and are scored and placed, in the jump height entered.
